Commissioner for Patents

The reply filed on February 23, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In view of the amendment filed on February 23, 2006, no claim remains within the case that is drawn to the elected invention, i.e., a vaporizer. As currently recited, all of the claims within the case are drawn to a vapor deposition reactor with an upstream vaporizer. Applicant should amend the claims so that they are drawn to the same invention that was examined in the Office action mailed December 5, 2005. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
